P. S. EDWIN,
2041 For *Chief Engr., Electricity.*

Notification dated 10th December 1956.

G.N. No. 132—C.O.S. Sealed tenders will be received in the Office of the Chief Engineer (Electricity) to the Government of Mysore, Bangalore, up to 3 P.M. on 28th December 1956, for the supply of the following, the terms of delivery being Ex. CPS. Central Stores, Bangalore/F.O.R. Bangalore.

1	Channel Type cutouts MEM or Japan make 250 V. 30 Amps.	200 dozen
2	Channel Type cutouts MEM or Japan make 250 V. 15 Amps.	7 0 to 800 dozen

N.B.—Only ready stockists need be quoted.

P.S.—(1) Manufacturers' names, their trade mark, and brand, if any, should invariably be mentioned in the tender and illustrative leaflets giving technical particulars, etc., attached to the tender, to facilitate consideration of the offer.
(2) Offers from ready stocks will be preferred.
(3) Correct date of effecting supplies in the event of an order from this Office should also be recorded in the tender.
(4) Samples may also be sent to this Office for inspection and return at tenderer's own cost.
(5) Quotations without having the above particulars are liable to be rejected.

The tenderers should quote their best billing prices, which should be firm for a period of one month from the due date of the tender. The rates should be quoted both in figures and words. The Chief Engineer (Electricity) does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The earliest period within which delivery would be effected should be specified in the tender. The quantities in each item to be purchased may vary according to actual requirements at the time of placing orders.

Supply on our order will be subject to the general conditions of contract prevailing in this department for local purchases.

In all matters of dispute, the decision of the Chief Engineer (Electricity) will be final and binding on the tenderers.

The tenders should be superscribed as tender for the supply of "Channel type Cutouts 15 and 30 amps. 250 Volts" to be opened after 3 P.M. on 28th December 1956.
